“Tutoring with GALS at Second Presbyterian is something that I look forward to every week. The kids are so excited to see all the tutors and we have really gotten to know each of the kids throughout the school year. Second Presbyterian has been a fantastic community partner to work with. Pastor David is our liaison at the church and he has been so dedicated to helping our program take off over these past few years. We’re at capacity almost every Wednesday – the energy this program has is amazing.”
-Maggie Johnson, GALS committee Co-Chair

FINANCIAL STATEMENT 2016-2017

For the fiscal year ending May 31, 2017, the audited financial statements reflect an overall increase in net assets (\$48,532 or 2.7%). This increase was driven by the investment earnings on our investment portfolio resulting from market performance and a slight change to our investing strategy in the preceding year. With the increase in annual investment earnings, our investment portfolio and cash position remains strong at \$1,030,540 and \$766,485, respectively.

Our special events revenue increased again this year by \$4,517 (1.6%). This continued growth in our fundraising efforts was also seen in our contribution revenue which increased by \$6,021 (6.2%). Furthermore, with additional funding through dues income in connection with a larger membership, we saw spending increase in our community programs, and education and training by \$25,778 (12.4%). This additional spending was motivated by the addition of four new projects in the preceding year as well as continued support of our previous existing programs.

This deepened commitment to the community will also be seen by new funding for the Children's Advocacy Council and the Associate Community Experience (ACE).

In 2017, we continued to monitor our management and general expenses. These expenses are key to the success of the JLC but we remain diligent in keeping them reasonable so we can focus our expenditures on our fundraising efforts and community outreach. These expenses decreased from the previous year by \$15,285 (4.5%).

This year highlighted our members' commitment to supporting the JLC mission through time, dedication and financial support. This success will build into 2018 and the league will continue to train leaders, serve the community and change lives.
