WHO WE ARE

OUR MISSION

Junior League of Chicago, Inc. is a metropolitan organization of women committed to promoting voluntarism, developing the potential of women and improving the community through effective action and leadership of trained volunteers. The Junior League of Chicago, Inc. reaches out to women of all races, religions and national origins who demonstrate an interest in and a commitment to voluntarism.

WHAT WE ASPIRE TO BE

OUR VISION

The Junior League of Chicago donates volunteer hours and fundraises for community agencies and programs that support at risk women and children in our community.

Our community, advocacy, and fundraising efforts support women and children in alignment with our three signature issues.

Signature Issues:

- Education
- Healthy Lifestyles
- Human Trafficking

WHAT WE BELIEVE

OUR VALUES

Diversity: The Junior League welcomes all women who value our mission. We are committed to inclusive environments of diverse individuals, organizations and communities.

Commitment to the Community: The Junior League of Chicago is passionate about the causes we support. Our commitment includes advocacy, development, collaboration and service.

Respect for Individuals: Junior League of Chicago members treat each other, those with whom we work and those we serve, with respect and dignity.

Camaraderie: The Junior League of Chicago is an organization where members enjoy their experience, developing personally and professionally.

WHAT WE DO

COMMUNITY

For more than a century, the JLC has diligently worked to empower at-risk families—especially women and girls—through hands-on mentoring, advocacy and education.

2017-2018 COMMUNITY PROJECTS AND PARTNERS INCLUDE:

Associate Community Experience, Blessings in a Backpack, Chicago Children's Advocacy Center, Connecting Kids to the Arts, Done In A Day, Girls' All Star Club, Freeing Individuals from Human Trafficking, Journey to Healthy Living, Kids in the Kitchen, LaunchU, Logan Square Neighborhood Association, Mad Hatters, Teen Exodus, and Women's Treatment Center. The JLC has 13 community partners across the City of Chicago.

ADVOCACY

The Junior League of Chicago's Advocacy Council encourages Junior League members to be informed and active citizens, and address public issues which affect our community.

ADVOCACY IN ACTION:

This year our Advocacy Council members updated our Advocacy position papers on Health & Wellness, Education, and Human Trafficking.

The Advocacy Committee held an event called Meet Your Alderman. This event provided JLC members an opportunity to meet a local representative, learn more about policies and engagement opportunities at the local level, leadership, local government, current events in Chicago, and the JLC's signature issues - Education, Health & Wellness, and Human Trafficking.

LEADERSHIP

The Junior League of Chicago offers Leadership Training events designed to help our members develop their leadership potential. Central to the mission of the Junior League is developing the potential of women to be civic and community leaders.

DEVELOPING THE POTENTIAL OF WOMEN:

This year JLC held multiple leadership training events. Some of the events we held were: Sharpening your Leadership Skills, Breast Cancer Awareness - Brighten Up Workshop, Living in recovery - Learn About The Women's Treatment Center, Financial Planning 101, Restoring the Heart: A Conversation with a Survivor of Human Trafficking, How to Effectively Use Networking in your Professional and Volunteer Life, Elevating Diversity in the JLC, How to Have Difficult Conversations as a JLC Leader.

For the fiscal year ending May 31, 2018, the audited financial statements of the Junior League of Chicago (JLC) reflect an overall increase in net assets (\$71,281 or 3.8%). This is reflective of a significant increase in contributions and special event revenues throughout the year. As a result, our investment portfolio and cash position remain strong at \$1,068,134 and \$798,063, respectively.

Our fundraising efforts garnered impressive results this year. Contributions revenue increased by \$29,321 (28.6%) over prior year and special events revenue was notable as we saw an increase of \$34,804 (12.3%). These increases highlight the contributions of our members and partners to support the mission of the JLC. Our investment portfolio garnered strong results with combined net gains and investment income of \$49,001.

We continued to exhibit sound expense management within the JLC as noted by a small increase in total expenses of \$10,723 (1.4%) over prior year. Fundraising expenses were managed effectively with a decrease from prior year by \$28,430 (-17.1%), evidence of the commitment by our members to contain costs. In addition, we were able to increase the spend for our community projects by 4%, as evidenced by new projects for the Associate Community Experience and the Children's Advocacy Council this year, allowing us to further contribute to community outreach.

This year's results demonstrate the enthusiasm of our members to give both their time and financial support. The league is well positioned heading into 2019 to further our mission of training leaders, serving the community, and change lives.

As a volunteer-based organization, our work in the Chicago community would not be possible without the support of those who share our commitment to volunteerism. Thank you to our individual and corporate donors who have allowed us to increase our impact on families and children in Chicago through their contributions. You make our work in the community possible!
