

WHY PARTNER WITH THE JLC?

The Junior League of Chicago (JLC) has boldly impacted our community for 111 years through well-trained volunteers' effective action and leadership. The women of the JLC come from diverse backgrounds, united in a common mission of voluntarism - to serve their communities and change lives.

Through collaboration and civic engagement, we seek to remove the many barriers to success which limit the ability of disadvantaged children and families to improve themselves and their community.

Each year, the JLC donates over 125,000 volunteer hours to community agencies and programs that support child welfare and education. Additionally, the JLC raises thousands of dollars each year to fund our 8 community projects. For over a century, the JLC has diligently worked to empower families from historically underinvested communities - especially women and girls - through hands on mentoring, advocacy, and education.

This is where you come in. When you become a sponsor of the JLC, you help support its legacy and the community we all proudly call home. Through sponsorship, we can better effect greater change for more individuals, extend our reach into more diverse neighborhoods, and continue to advocate for critical social issues facing the greater Chicago area. **Simply put, your sponsorship can change the trajectory of lives for the better.**
