LETTER FROM THE PRESIDENT

The women of The Junior League of Chicago are agents of change, constantly working to improve themselves and the Chicago community. Since 1912, we have been evolving and living our mission to develop the potential of women, promote voluntarism and improve our community through our trained volunteers. The League has changed in many ways since its inception, but our commitment to addressing the needs of the community and cultivating members for civic leadership remains steadfast.

The 2018-2019 year was another impactful year, with 1,300 trained volunteers serving over 26,700 women and children and providing over 8,600 hours of direct service to the community. In the 2018-2019 year, our 13 community projects and additional outreach events empowered at-risk women and children in Chicago—through hands-on mentoring and education.

Our members and friends continued to show their support for our mission and the communities we serve through individual donations and attendance of our signature events. The League's four signature events – Summer Soiree, Derby, Perfect Pairings and Annual Gala – successfully raised \$141,000. Our Annual Fund also had a successful year, raising \$124,000.

As part of our evolution, the Board of Directors approved a multi-year Membership Transformation initiative that aims to create a more member-centric league by transforming the JLC membership experience to better fit our member's lifestyles, including their availability, interests, and goals. Members will have more opportunities to develop skills and competencies through valuable placement work and training. We have embarked on this transformation to ensure the long-term health, vitality, and viability of the Junior League of Chicago for generations of civic leaders to come.

Among the many dedicated members of the League are the 102 leaders who served on the Board of Directors, Management Committee or as a Committee Chair. Their generous contribution of time and expertise is invaluable, as was the exemplary leadership of Executive Vice President Blythe Newton.

With deepest gratitude to each of you: our dedicated members, our community partners and our generous donors.

Yours in service,

Dillane A. Heedt

WHO WE ARE OUR MISSION

The Junior League of Chicago (JLC) is an organization of women committed to promoting voluntarism, developing the potential of women and improving communities through the effective action and leadership of trained volunteers. Its purpose is exclusively educational and charitable.

WHAT WE BELIEVE IN OUR VALUES

Diversity: The Junior League of Chicago welcomes all women who value our mission. We are committed to inclusive environments comprised of diverse individuals, organizations, and communities.

Commitment to Community: The Junior League of Chicago is passionate about the causes we support. We are deeply committed to advocacy, development, collaboration, and community service.

Respect for Individuals: The Junior League of Chicago welcomes all women who wish to serve the community while embracing their unique ideas, differences, and contributions.

Mentoring: Members of the Junior League of Chicago share their experiences and skills with one another, as well as with those we work with and serve.

Thoughtful Risk-Taking: The Junior League of Chicago provides training and a safe space for responsible and safe risk-taking.

Camaraderie: The Junior League of Chicago is an organization where members enjoy their experience and are able to develop personally and professionally.

WHAT WE ASPIRE TO DO OUR COMMUNITY IMPACT

The Junior League of Chicago donates volunteer hours and fundraises for community agencies and programs that support at-risk women and children in our community.

Our community, advocacy, and fundraising efforts support women and children in alignment with our three signature issues:

- 1) Education
- 2) Healthy Lifestyles
- 3) Human Trafficking

The Junior League of Chicago welcomes all women who value our mission. We are committed to inclusive environments comprised of diverse individuals, organizations, and communities.

ADVOCACY

The JLC's Advocacy Council encourages members to be informed and active citizens who address the public issues that impact our community.

This year, our Advocacy Council launched weekly awareness updates in Connections, the JLC's membership newsletter, to keep our members informed about important matters that affect the JLC and communities we serve. The council held informative voter registration events, participated in the Women's March to the Polls, hosted events with the League of Women Voters, and held a Mayoral Election watch party.

LEADERSHIP

The JLC provides leadership training events designed to help our members hone in on their leadership potential. Central to the mission of the Junior League is developing the potential of women to be civic and community leaders.

This year, the JLC held multiple leadership training events and JLCUs. Our most popular JLCU events included: Public Speaking: It's Not What You Say, It's How You Say It, What to Know If You Want to Serve on a Nonprofit Board, Three Successful Women Share How to Land Your Dream Job, Making Time for What Matters - A Time Management Workshop, The Fight Against Human Trafficking, How to Volunteer with Children, Demystifying Lobbying, and Grants & Foundations 101. Leadership also instituted a bi-annual Leadership Retreat program, and a bi-annual training for JLC Leaders on topics including meeting and financial management and conflict resolution.

COMMUNITY PROJECTS

For over a century, the JLC has worked diligently to empower at-risk families, particularly women and girls, through hands-on mentoring, advocacy, and education.

This year, the JLC supported 13 community projects with partners across the city of Chicago: Associate Community Experience, Chicago Children's Advocacy Center, Connecting Kids to the Arts, Done In A Day, Girls' All Star Club, Freeing Individuals From Human Trafficking, Journey to Healthy Living, Kids in the Kitchen, Logan Square Neighborhood Association, Mad Hatters, Teen Exodus, Launch U and The Women's Treatment Center.

OUR COMMUNITY PROJECTS

Associate Community Experience

Associate Community Experience (ACE) is for new members of Junior League of Chicago. ACE organizes service projects throughout the year targeted at helping women and children in the community. Some service projects include preparing food at local homeless shelters, providing healthy snacks for children in foster care, creating blankets for children at local hospitals, and teaching elementary students about gardening.

Chicago Children's Advocacy Center

Chicago Children's Advocacy Center (ChicagoCAC) is a front-line responder in Chicago to reports of child sexual abuse, as well as reports of physical abuse of children under age 3. Since opening their doors in 2001, they have served more than 30,000 children. ChicagoCAC is the city's only not-for-profit organization that coordinates the efforts of child protection staff, law enforcement professionals, family advocates, medical experts and mental health clinicians under one roof. The JLC hosts Family Nights at ChicagoCAC twice a month that include a variety of activities that families are able to drop-in and participate in with our volunteers.

Connecting Kids to the Arts

Connecting Kids to the Arts works closely with four community partners to give children, who are either being served by its partner organizations or whose parents are being served, the opportunity to express themselves creatively, with the goal of raising their self-esteem and having fun during what may be a stressful time. At the same time, their parents are given time to either receive services themselves or simply take a much-needed break. The council projects that 1,056 children participate in its events annually.

Done in A Day

Done in A Day organizes service projects throughout the year targeted at helping women and children in the community in just one day. The committee has relationships with dozens of partners throughout the city and creates opportunities for JLC to work with other organizations and explore future partnerships. Last year, the committee organized 75 events, ranging from painting children's faces at Halloween events to serving meals at Lincoln Park Community Shelter.

Freeing Individuals from Human Trafficking

Freeing Individuals from Human Trafficking (FIHT) works to stop human trafficking in the Chicagoland area by increasing community awareness and providing support to survivors of human trafficking and local anti-trafficking organizations. Members of FIHT provide support directly to survivors by volunteering at local drop-in centers for trafficked individuals, leading self-empowerment classes for survivors, and managing the local anti-trafficking telephone hotline. The JLC's FIHT has become a well-known member of the Chicago anti-trafficking community.

GALS

GALS' focus is to support elementary and middle school children by assisting with homework, reinforcing study skills, and mentoring children in an engaging environment. The JLC partners with Second Presbyterian Church in Chicago's South Loop to tutor neighborhood children and assist them with their homework Wednesday evenings during the school year. In addition to building our relationship with the children through educational activities, the sessions includes a fun activity and each evening ends with a nutritious snack.

Journey to Healthy Living

Journey to Healthy Living works closely with its community partners, including LYDIA Home Association and The Michaels Organization, to provide access to health and wellness programming to women and children living in the near north and west sides of Chicago. Programming is targeted towards the specific needs of the individuals at these partners - for example, one month, a volunteer may teach a participant self-defense move, and the next month, a volunteer might lead a discussion about stress management. This project fills an important need to have consistent monthly programming focused on serving the needs of the community partners.

OUR COMMUNITY PROJECTS

Continued

Kids in the Kitchen

Kids in the Kitchen is a nationally recognized health education program that empowers youth to make healthy lifestyle choices and help reverse the growth of childhood obesity and its associated health issues. The Junior League of Chicago's Kids in the Kitchen mission is to impact the lives of area children for healthier lifestyles through hands-on events throughout the year. By providing fun, family-oriented solutions to healthy living, kids and youth are encouraged to be active participants in their own health and well-being.

Launch U

Launch U is a year-long, one-to-one mentorship program that supports high school seniors who are high-achieving, sometimes first-generation college-bound students. The JLC Launch U committee members serve as mentors, provide support for various career and college-focused panels and host Chicago-area college tours. Since the fall of 2016, JLC volunteers provide Launch U scholars the skills and confidence necessary for their future academic and professional success. *LaunchU was sunset by the JLC at the end of the 2018-19 fiscal year.*

Logan Square Neighborhood Association

Logan Square Neighborhood Association is a community-based organization advancing diversity, leader development, and models for engagement as the catalyst for social justice in the Logan Square neighborhood, spanning across ages and background. These programs offer basic life skills and opportunities for family bonding. Family nights include: "Learning How to Give Back No Matter How You Give," "Staying Active Rain or Shine," and "5 Tips to Healthy Cooking."

Mad Hatters

The Mad Hatters promote literacy throughout Chicagoland by providing high-energy, interactive, storytelling-based performances geared toward children ages 3-9 and their parents. Primarily held in branches of the Chicago Public Library, these fun-filled story time shows feature children's books, poems, and songs which demonstrate to children how much fun reading can be, while encouraging parents to read to their children at home. Originally founded by the Junior League of Chicago in 1921 as a children's theater, the Mad Hatters have been promoting children's literacy for nearly 100 years.

Teen Exodus

Teen Exodus serves at-risk teenage girls ages 12 to 17 in the Near North Side, Washington Park, and Uptown neighborhoods of Chicago with the goal of providing the young women with activities that foster both self-esteem and leadership growth. The JLC manages this project in collaboration with the non-profit organization Chicago Youth Programs. JLC members mentor the teens most Saturdays throughout the school year and provide the participants with a fun, educational activity and a hot lunch. JLC members structure each event to expose the teens to experiences and activities such as hip-hop dance class, healthy cooking and theatre performances while addressing prevalent issues within the teens' communities, such as nutrition, college and career aspirations, and teen pregnancy prevention. Since the project's inception over ten years ago, approximately 200 young women have participated in the events and benefited from mentoring relationships with JLC volunteers.

The Women's Treatment Center

JLC has partnered with The Women's Treatment Center in the West Loop for over 25 years to help women who are undergoing the final stages of therapy for substance abuse develop the skills they need for an independent, sober life. Weekly events and programs are planned by JLC members on topics such as job interview prep, expert relationship and parenting advice, and health and wellness. By organizing family-oriented excursions and educational events as well, JLC members help the women have wholesome fun with their families and create healthy connections to their young children.

578 Total Events

*An average of more than six
volunteers at each event*

11,080 Hours of Service

3,533 Total volunteer shifts filled

JLC volunteers active in the Chicagoland community.

Financial Statement

For the fiscal year ending May 31, 2019, the audited financial statements of the Junior League of Chicago (JLC) reflect an overall increase in net assets of \$10,294. This is reflective of an increase in our investment portfolio offset by decreased fundraising events revenue. As a result, our investment portfolio and cash position remain steady year over year at \$1,148,169 and \$780,965, respectively (versus 2018 at \$1,068,134 and \$798,063). Our investment portfolio had combined net gains and investment income of \$15,727.

Our fundraising efforts were largely on pace with last year, with contributions totaling \$142,325, vs. \$144,517 in 2018 (decrease of 1.5%). Given the sunset of Gazebo in 2018, special events revenue declined by \$52,180 or about 17.2% (\$304,184 vs. \$252,004).

We demonstrated sound expense management within the JLC as noted by a decrease in total expenses of \$13,076 (2%) over last year. Direct costs related to events (e.g. facility rental fees) resulted in increased fundraising expenses of \$43,400 (21.4%) this year. The JLC is exploring ways to decrease event-related fixed costs to improve these figures going forward.

We anticipate investment in community projects will remain steady year over year, as the actual expenses were \$62,590 this year, and the budget for the upcoming year is \$63,900. The JLC began a strategic review of our community projects to determine the most efficient use of resources relative to each projects' goals. As a part of this work, Launch U was sunset in 2019. The JLC will invest in 12 community projects in the next fiscal year.

Despite headwinds this year, our results highlight the dedication and commitment of our members in giving of both their time and financial support. Given this, the JLC will continue to further our mission of training leaders, serving the community, and changing lives in 2020.

Sincerely,

Cassie Gray
Treasurer, 2018-2019

Thank you to all of our individual and corporate donors whose contributions have allowed us to increase our impact on women, families, and children in Chicago. As a volunteer-based organization, our work in the Chicago community would not be possible without the generous support of those who share our commitment to voluntarism and building better communities. You make our work in the community possible!

JLL	

Every effort has been made to report all 2018-2019 contributions fully and accurately. We apologize for any errors and omissions and ask that donors forward any correction to the Operations Director at the JLC Headquarters. Thank you for your understanding and generosity.

The JLC welcomes all women who wish to serve the community, embracing their ideas, differences, and contributions.

JUNIOR LEAGUE
of CHICAGO

Thank you for supporting the Junior League of Chicago!
