

ABOUT

The Junior League of Chicago (JLC) has been serving the Chicagoland area since 1912. Our members include community leaders, mothers, professionals, executives, and entrepreneurs. Through volunteer action and civic engagement, we seek to remove the barriers to success that impede Chicago families from living healthy, safe, and fulfilling lives. Each year the JLC invests over 40,000 volunteer hours in community agencies and programs that address literacy, essential needs, and violence prevention and awareness.

WHY SUPPORT THE LEAGUE?

Invest in Leadership and Community Impact

Partnering with the JLC means supporting a nonprofit organization that not only serves the community but also cultivates the next generation of women leaders. Through hands-on leadership roles, professional development opportunities, and skills-based training, JLC empowers its members with lifelong leadership and career-enhancing skills.

Developing Leaders

JLC provides professional development through a range of leadership positions, from committee roles to our Board of Directors. Our leadership retreats, skills-based training, and on-the-job volunteer experiences equip members with critical skills in project management, strategic planning, and community engagement—skills that translate directly into the workplace.

Driving Meaningful Change

We are committed to making a tangible impact in the Chicago community. **Last year, JLC volunteers dedicated over 43,000 service hours, valued at \$1.4 million, to critical initiatives addressing essential needs, literacy, and violence prevention.** Additionally, we provided \$240,000 in program funding to support nonprofit partners across the city.
