About Us

For more than 110 years, the Junior League of Chicago (JLC) has been a driving force in empowering women to strengthen our city.

Founded in 1912, the JLC is an organization of women whose mission is to advance women's leadership for meaningful community impact through volunteer action, collaboration, and training. The JLC's 800+ women contribute over 40,000 volunteer hours annually and partner with community agencies across Chicagoland to address issues like literacy, access to essential needs, and violence prevention and awareness. In addition, the JLC raises thousands of dollars every year to fund our 8 community projects.
